HERBSTZAUBER (Pfitzer) Late

Wonderful orange-salmon. The large flowers are borne on a tall stalk which should be staked securely as they tend to become top-heavy. Brighten your October days with baskets of this beautiful novelty. 15c each, \$1.50 per Doz.

HOLLYHOCK (Kunderd) Early Mid-Season

A striking novelty of merit. Color white with just enough cream to give character. Lower petals blotched violet-red. The large, round, ruffled flowers are apt to be top-heavy and the spikes should always be cut as soon as the first flower opens, unless they are securely staked. Wonderful as an exhibition cut flower. 25c each, \$2.50 per Doz.

IMPERATOR (Alkemade) Late Mid-Season

A late, sturdy, large flowering variety. Blooms are creamy white and very well arranged on the spike. Occasionally flecks under certain weather conditions, but even this does not detract from the beauty of the flower. A poor reproducer, thus very scarce. 10c each, \$1.00 per Doz.

JEAN du TAILLES (Lemoine) Late

PURPLE GLORY (Kunderd) Late Mid-Season

Color is popularly called velvety maroon red, but contains enough purple pigments to so classify according to the color charts. A sensational variety which has always been very well received. 15c each, \$1.50 per Doz.

RAJAH (Kunderd) Mid-Season

A choice giant exhibition dark red. A rather slow multiplier and therefore very scarce. Order early. 15c each, \$1.50 per Doz.

RED BARNEY (Hunter) Second Early

Seedling of Prince of Wales. This variety possesses splendid commercial possibilities. Color bright orange-scarlet. Stands sun and rain extremely well. Has several open flowers and many buds showing color. Flowers large, stems straight and wiry. Excellent propagator, with good height and foliage. Tho we recognized the merit of this seedling in 1925 we held it back four seasons before introducing it as our first offering and we feel sure it will meet with your approval. 50c each, \$5.00 per Doz.

ROMANCE (Kunderd) Mid-Season

A novelty colored variety that creates a sensation wherever shown. A beautiful combination of orange-salmon, rose-red, and yellow. Petals are bordered wine-blue. Distinct and showy and very vigorous. You will agree that it is something out of the ordinary. 2 for 10c, 50c per Doz.

ROSEMARY (Wing-Bales) Mid-Season

Very unusual in its coloring, which is white with fine hairline markings and stipplings of lavender-rose, giving an old rose effect. The markings are carried clear thru the petals so the back of the blossom looks the same as the front, thus they are easily arranged in vase or basket. 2 for 10c, 50c per Doz.

RUFFLED AMERICA (Kunderd) Late Mid-Season

Beautiful ruffled blush lavender-pink, with slight throat marking. Valuable for either exhibition or cut flower purposes. We highly recommend this variety to you. 2 for 10c, 50c per Doz.

RUTH HUNTINGTON (Kunderd) Late Mid-Season

Violet lilac pink, with deeper velvety red blotch on lower petal. Worthy of a place in every garden, no matter how small. Nicely ruffled and artistically arranged on the spike. 10c each, \$1.00 per Doz.

SOUVENIR (Gravereau) Early

Pure golden yellow primulinus variety. Has the charm of yellow silk. Just the color for indoor decorations. One of the most useful Gladiolus. Very fine combined with Veilchenblau or Annie Laurie. 2 for 10c, 50c per Doz.

STARBRIGHT (Kunderd-Bales) Second Early

Beautiful daffodil yellow, with a broad distinct band or stripe of rose thru the center of each petal. The very different color and form suggests a star. Stems long and straight. Very vigorous. 15c each, \$1.50 per Doz.

TARO (Kunderd) Mid-Season

Large flowers of pleasing American Beauty Rose color. 10c each, \$1.00 per Doz.

THE ORCHID (Sprague) Mid-Season

A dainty and beautiful Gladiolus of a different type than any other Gladiolus we offer. Petals are very long and slender, ruffled, frilled and lacinated. Color pale lavender, deeper at the edges and tips of the petals. Extremely hooded, orchid-like, and therefore apt to have a good commercial future. 15c each, \$1.50 per Doz.

ZONA (Kunderd) Early

Few varieties possess the charms of this novelty primulinus. Salmon-rose, with lower petals canary yellow, with deep rose-pink blotches on center of lower petals. Tall, graceful spikes, extra vigorous. 15c each, \$1.50 per Doz.

VEILCHENBLAU (Pfitzer) Early Mid-Season

The leading blue Gladiolus. The first large, vigorous violet-blue Gladiolus. Has a darker blotch on the lower petals, which adds to the beauty of the flower. Color suggests that of the Iris. 50c each, \$5.00 per Doz.

VIRGINIA HALE (Kunderd) Late Mid-Season

Beautiful soft creamy rose, deeper toward border of petals. A very refined and high class color combination. A strong grower and with us it is faultless. A great favorite and sure to please the most exacting. 10c each, \$1.00 per Doz.

W. H. PHIPPS (Diener) Late

LaFrance pink, overlaid with light rose-salmon. Lighter towards the center and with lightly speckled ruby throat markings. From twelve to twenty florets open at a time. A novelty which will cause you to exclaim with wonder. Well worth 15c each, or \$1.50 per Doz.

WHITE BEAUTY (Alkemade) Early

Beautiful creamy white. This variety, with Europa, constitute two of the best exhibition whites to date. Almost perfection in form, but a slow propagator. Very rare. 15c each, \$1.50 per Doz.

PAUL DESCHANEL (Lemoine) Late Mid-Season

Rosy-pink with bold, flashy throat markings. Will please all who enjoy the French creations. 50c each, \$5.00 per Doz.

PERSIA (Nat'l Bulb Farm) Mid-Season

You will be delighted and surprised how dark this almost black one really is. Fine foliage, and a vigorous, prolific variety. 10c each, \$1.00 per Doz.

PFITZER'S TRIUMPH (Pfitzer) Early Mid-Season

Enormous blooms of a bright salmon-orange color, with small deeper throat blotch; almost a self color. Two to four blooms open at once. Striking for exhibition purposes. Not desirable as an outdoor flower on account of wilting down in strong sun, and the fact that it needs staking to withstand rain and wind. No other variety of recent introduction has created the sensation in the show room which has been accorded this grand novelty. Especially priced at 50c each, \$5.00 per Doz.

PFITZER'S YELLOW WONDER (Pfitzer) Second Early

Pure soft yellow. Season follows Fortuna, the two varieties being of the same type and quite similar. 15c each, \$1.50 per Doz.

YVONNE (Krelage) Early

Large and lovely blotched blush. Richer and larger than Vesta Tilly. Truly sensational. Very vigorous. We predict a great future for this variety. 15c each, \$1.50 per Doz.

THE VAMP (Vaughans) Early

Delicate pink, with velvety crimson blotch, surrounded with a creamy white halo on the three lower petals. Very striking. Six or seven open at one time create a real sensation. 10c each, \$1.00 per Doz.

VEILCHENBLAU
